

Neo Jarmawijaya

Back-End Developer

Bandung, Indonesia | Phone: +6282126569920 | Email: neojarmawijaya@gmail.com

Website: neojarma.dev | github: github.com/neojarma

SUMMARY

Informatics Engineering student with a current GPA of 3.75/4.0. Skilled in Go, NodeJs, Docker, MySQL, PostgreSQL, and rabbitMQ. Strong desire to continue learning and expanding my technical skillset. Strong analytical and problem-solving abilities, with a focus on delivering efficient and effective solutions.

EXPERIENCE

PT. Sumber Trijaya Lestari (Aksesmu)

Back-End Developer Internship (August 2023 – December 2024)

- Develop new features and functionalities using the Go programming language
- Identify and fix software defects, ensuring the stability and reliability of systems.
- Write efficient database queries to interact with both MongoDB and PostgreSQL databases.
- Migrate and refactor code from legacy repositories to improve codebase quality and maintainability.
- Write clean, maintainable, and well-documented code.

PT. Rekabio

Back-End Developer Internship (February 2023 – July 2023)

- Utilized Go and .NET framework for back-end development and SQL Server for database management.
- Developed new features and functionalities for web applications based on project specifications.
- Participated in the entire software development lifecycle, from planning and design to testing and deployment.
- Investigated and resolved bugs or issues.
- Ensured code documentation and maintained version control using Git

EDUCATION

STMIK AMIK Bandung (2020 - 2024)

Bachelor of Computer Science - Current GPA 3.75

CERTIFICATIONS

- HackerRank – SQL (Intermediate)
- HackerRank – Go (Basic)
- HackerRank – Problem Solving (Basic)
- HackerRank – JavaScript (Basic)
- Udemy – NodeJs
- Udemy – Go
- Dicoding – Cloud Practitioner Essentials (AWS Cloud)
